

MAYFAIR DIAGNOSTICS REGINA

SERVICE UPDATE

June 2024

We are committed to providing you and your patients with the highest quality medical imaging. Below is some information you may find helpful.

X-ray

- X-rays are a **walk-in service**; an appointment is not necessary.
- X-ray hours are **7:30 a.m. to 6 p.m. Monday to Friday**.

Ultrasound

- All general ultrasounds are available for patients **two years old and above**, excluding carotid and renal Doppler ultrasounds.
- All general ultrasounds, including pyloric stenosis are available, for patients **two years and under**. Special exams for babies like cranial and arterial studies are not available.
- **Elastography ultrasound**, a non-invasive assessment of liver fibrosis by quantifying liver tissue stiffness, is available and can be ordered by primary care physicians.
- **Obstetrical ultrasounds** including dating, nuchal translucency, second semester detailed, and BPP, with or without Doppler, are readily available.
- **Tip:** When ordering multiple exams on one requisition please include **medical history for all exams** on the requisition.
- Ultrasounds for **soft tissue lumps are readily available**.
- **WAIT TIMES FOR MSK ULTRASOUNDS ARE LESS THAN ONE WEEK, TWO WEEKS FOR SHOULDERS.**

Below is a list of MSK ultrasound exams performed at Mayfair Diagnostics Regina:
