1. Please bring your health insurance card, photo identification, and this requisition.
2. Stay on prescribed medications. Diabetics should discuss possible stoppage or reduction of insulin with their physicians. If instructions require fasting or "clear liquid" diet, diabetics should request early appointments.
3. Please do not bring children who require supervision.
4. Arrive 15 minutes early for your appointment. If you are unable to keep your appointment, please call 403.777.3000.
5. Kindly advise us of any mobility limitations when booking your exam.
6. Please avoid wearing fragrances as we are a fragrance-free facility.

PATIENT EXAM PREPARATION INSTRUCTIONS

GENERAL ULTRASOUND

Abdomen

Have nothing to eat or drink (except water) for six hours prior to examination. For patients under 36 kg/80 lbs have nothing to eat or drink (except water) for three hours prior to examination.

Pelvis, Kidneys/Bladder

Drink one litre of water, 1.5 hours prior to your exam. Finish all water one hour before your appointment. Do not empty the bladder. For patients under 36 kg/80 lbs drink 500 ml of water, 1.5 hours prior to your exam. Finish all water one hour before your appointment. Do not empty your bladder. Drink water slowly to prevent abdominal discomfort.

Abdomen & Pelvis Combined

Do not eat for six hours prior to the examination. Drink one litre of water, 1.5 hours prior to your examination. Finish all water one hour before your appointment. Do not empty your bladder. Drink water slowly to prevent abdominal discomfort. For patients under 36 kg/80 lbs Do not eat for three hours prior to the examination. Drink 500 ml of water, 1.5 hours prior to your examination. Finish drinking the water one hour before your appointment. Do not empty your bladder. Drink water slowly to prevent abdominal discomfort.

OBSTETRICAL ULTRASOUND

Complete Obstetrical Assessment, Early, NT, Detailed
