ONLINE BOOKING - INCLUDING X-RAY

We're pleased to announce that we have implemented an online booking option for your patients. Exams can be booked, requested, rescheduled or cancelled via our Patient Connection platform. More details along with a step-by-step guide and FAQs can be found at **radiology.ca**. Patient Connection is currently only available to existing Mayfair patients. New patients to Mayfair should call our Contact Centre to book their first visit and then they can use the online booking tool for future visits.

Patient Connection is currently only available to existing Mayfair patients. New to Mayfair? Call our Contact Centre to book your first visit, then use Patient Connection next time.

Appointments are required for all exams except X-ray. While we continue to offer walk-in X-ray exams, availability is limited and wait times can vary depending on clinic traffic. To ensure a smoother experience, your patients can also book X-ray appointments online.
